**Name of Project:** *Roberts Street Sewer Improvements in District #7*

**Owner:** **Town of Lenox**

Sealed Bids for the **Roberts Street Sewer Improvements in District #7** project will be received by the **Town of Lenox**, at the office of the **Town Clerk** until **10:00 a.m.** local time on **September 10, 2024** at which time the Bids received will be publicly opened and read aloud.

The project entails the construction of a new gravity sewer collection system with a central pump station and force main to replace the current grinder pump system that serves 9 lots on Roberts Street in the Town of Lenox. Specifically, the project will consist of the following:

- 1,400 feet of 8-inch gravity sewer main
- 5 manholes
- 9, 4-inch wye lateral connections and cleanouts to right-of-ways
- 6-foot diameter duplex pump station
- 500 feet of 3-inch forcemain with connection to an existing Village manhole
- Diesel Genset (Bid Option)

The Project has an expected duration of 90 days.

The bid award will be based on a base bid without the generator option.
